

The date of the 16th International Cosmetics, Beauty & Hair Exhibition - BeautyEurasia, which is to be held on November 25-27, 2020 **has been postponed** to June 16-18, 2021 to provide a healthier, more productive, and efficient exhibition experience for everyone given the strong demand from all our stakeholders, especially our exhibitors and visitors.

## BeautyEurasia is postponed to June 16-18 2021

The date of the 16th International Cosmetics, Beauty & Hair Exhibition - BeautyEurasia, which set trends in the beauty industry in Turkey by bringing together the latest products and domestic and international visitors and serves as the door of the beauty industry of Turkey opening into the world, is changed due to global COVID-19 pandemic dominating the world's agenda. BeautyEurasia, which is recognized as the biggest beauty and cosmetics exhibition of the Eurasia region, was postponed on March 13, 2020, following the announcement by the Ministry of Trade concerning the COVID-19 pandemic. The date of the exhibition, which was previously revised to November 25-27, 2020, was finally set as June 16 - 18, 2021 after the meetings held especially with Hyve Group's business partners, a large number of exhibitors, visitors, and stakeholders.

In the past two months, BeautyEurasia held a lot of meetings with all its stakeholders that play a key role both in Turkey and in the international arena. Within this period, given the current state of the world and Turkey, the importance of organizing an efficient and successful exhibition at the right time and under the healthiest conditions for all parties was once again reasserted.

### “Health, Productivity, and Efficiency are Our Top Priorities”

Regional Director of Hyve Group, a global trade exhibition organizer that holds BeautyEurasia, emphasized that their top priority is to organize a healthy and efficient exhibition for all stakeholders, especially exhibitors and visitors. Ülgen continued his words as follows: “Our country has dealt with the pandemic successfully and important steps are being taken gradually toward normalization.” However, the global fight against the COVID-19 pandemic continues in full swing. We previously postponed the BeautyEurasia, which serves as the door of the beauty industry of Turkey opening into Eurasia and the world, to November 25-27, 2020, and adopted the hygiene-and-health comes-first approach for our stakeholders and employees. Public health has and will always remain our number one priority. Our other priorities include offering a successful, productive, and efficient exhibition experience for all parties. After having a lot of meetings with all parties and evaluating the demands making a change in the date of Beauty Eurasia, we have decided that it would be best to reschedule the date of the exhibition once again. Our exhibition will be held on June 16-18, 2021. We will keep our exhibitors and the public informed of any global or local developments concerning the sector and our brand. BeautyEurasia, which will be organized by Hyve Group with the support of the Ministry of Trade, will continue to create new business, partnership, and purchasing opportunities for Turkey with its strong regional network.

**In 2019 the event hosted around 12,000 professional visitors**
